

ALRAYYAN Ready Mix Concrete & Cement Products

COMPANY PROFILE

SUMMARY OF COMPANY EXPERIENCE

AL RAYYAN READYMIX CONCRETE & CEMENT PRODUCTS is one among the leading manufacturing and supplying companies in Qatar in the field of precast elements such as Masonry blocks, Interlocking Paving blocks and concrete kerbstones.

ALRAYYAN RCCP founded in 2015 by the HBK group and 100% Qatari owned company,

ALRAYYAN RCCP has grown to its present standing, during this short period ALRAYYAN RCCP has been playing a vital role in a great number of projects in Qatar.

ALRAYYAN RCCP employs a staff of about 15 experts covering the fields of designs, production and maintenance. It also employs workers of about 100 experienced in particular field.

ALRAYYAN RCCP equipped with latest German technology machines in production line and the in-house laboratory is equipped with the latest testing and measuring equipment to evaluate the raw materials and end products.

We establish and maintain a quality management system based on ISO- 9001:2015 and we strive to deliver our products comply with current QCS 2014 and the relevant standards and specifications.

ALRAYYAN RCCP delivers products of highest quality in Masonry Blocks (Solid, Hollow, Hourdi etc.), Interlocking paver's different shapes and patterns (Rectangular, Square, Zigzag, Trapezoidal, Behaton and Octagonal etc.) and Kerbstone (Flat, Half Battered, Dropped, Bull Nosed etc.).

Due to ALRAYYAN's wide range of qualified products, experience and excellent technical knowledge in precast field, we are in a position to cater large quantity of products in short or long term assignments.

Our expanded list of clients is the proven record for our quality and capability in manufacturing and supplying. Clients like PWA-ASHGHAL, KAHRAMAA, Qatar Rail, Ministry of transportation and communication (NPP), Qatar Foundation, Supreme Committee for Delivery & Legacy, Katara Hospitality, and Naval Base etc. are added value for our quality products and timely deliveries.

ALRAYYAN Readymix Concrete & Cement Products W.L.L.

QUALITY PRODUCTS & SOLUTIONS FOR SUSTAINABLE PROJECTS

Alrayyan Readymix concrete & Cement Products is a company that manufactures and supplies a wide range of concrete products such as Interlocking Pavers, Masonry Blocks and Curbstone. The company is located in MNC Industrial area - Qatar and was established in 2015 with a latest German technology (HESS TOPWERK) and the production and quality is carried out by qualified team which has a good experience in the same production field and machineries.

Regarding the We have fixed raw material suppliers to avoid colour variance in our products. The constancy in texture and colour are being maintained by good quality control of raw materials and products. Our suppliers are

QNCC	:	Cement and washed sand
KAHRAMAA	:	Water
QPMC	:	Coarse Aggregates
Admixtures	:	DCP /SODAMCO

Our commitment in developing innovative products and solutions transcends our operational capabilities and encompasses our firm belief that our solutions should deliver value for all our customers / stakeholders.

We establish and maintain a quality management system based on ISO-9001:2015 and we strive to develop products that meet QCS 2014 requirements and are both technically superior and sustainable.

We also pride ourselves on building our solutions around our customers' specifications & requirements and on being easy to deal with, through efficient and professional service and fully transparent pricing.

Detailed Factory Quality Control plans are implemented ensuring that:

- Orders are correctly interpreted
- Mix designs are accurate
- Equipment calibrated & operating efficiently
- Raw materials delivered comply with relevant standards & Specifications
- Final products have the required quality.
